Departure from San Francisco de Campeche

We will go to your hotel to pick you up to start our journey towards the artisan and gastronomic tour through the main attractions of the so-called Camino Real Artesanal.

We will visit Kankí, an archaeological zone barely rescued, and you will eat in an old farm, where you will taste the traditional bread made in Pomuch stone ovens.

Continuing with the tour we will visit Becal and its importance stands out in the "Fountain of the hats", in the center of the Plaza del Progreso. A monument that honors the artisan work of elegant hats.

One of the most visited attractions in the city of Hecelchakán is the church of San Francisco de Asís, an imposing religious construction from the 17th century.
