

Rancho Nuevo caves and El Arcotete ecotourism park

Minimum 2 people to book

Operates every day / Shared service tour

Departure from San Cristóbal de las Casas

After the pick up, we go to the Rancho Nuevo Grottoes where we will make the walk to appreciate inside a beautiful proliferation of stalactites and stalagmites that expands in the background until it becomes a living room. Approximate time 1:30 hours.

El Arcotete, a natural formation where impressive caverns located on the roof of the arch were uncovered. Its walls can measure up to 40 m high, approximately 1 hour. We return at approximately 3:00 p.m. to San Cristóbal de Las Casas.

Note: Children from 0 to 2 years old do not pay and travel in the arms and/or legs of their parents or guardians.

* I declare that I have read and accept the general conditions of the service. [Read here.](#)

If you cancel 8 days or more before the start date of your tour, you will have a 10% cancellation fee of the total of the reserved tours.

If you cancel with less than 8 days to the date of your tour, the charge will be for the total of the tour or Tours contracted.

As it is a prepaid rate, when confirming and booking your tour, the total charge will be made to your credit or debit card through PayPal.

The tour operator will pick you up at your hotel, as it is a shared service there could be variations of minutes in the pick up times, depending on traffic and weather conditions.
