Departure from Palenque

Reception in the lobby at 8:00 am at your hotel to begin our tour to the Moral Reforma Tabasco Archaeological Zone, which is located 1.40 hrs from Palenque. It receives this name because of the abundance of moral trees and because it is located in the municipality of Reforma, a small village site of great importance that controlled trade between Petén and the Gulf Coast, along the San Pedro River, for 1,700 years. Splendid paired pyramids (in pairs) attest to this, as do filigree inscriptions that establish their alliance with Calakmul and Palenque. We can climb each of the mounds where we will have spectacular views. Estimated visit time 1:30 hrs.

Then we will continue 1.30 hrs. On the way to the Pomoná Archaeological Zone, upon arriving at the site a short walk awaits us that will connect you with nature, the sound of howler monkeys, birds and also the tranquility that the site offers, there the ancient Mayans obtained material to build their buildings and sculptural monuments; Pomoná takes its name from the tributary stream of the lower Usumacinta. Rich steles, sculptures, panels and hieroglyphic inscriptions allow you to learn about the history of its rulers and the relationships it maintained with other cities in the region. Approximate visit time is 1 hour.

We will continue with our last visit, traveling 1 hour to reach the El Salto Ecotourism Center where its emerald green waters and its impressive waterfall will captivate your senses, the waterfall of approximately 20 meters. It welcomes you from one of its three viewpoints, where you can enjoy a panoramic view and an extraordinary natural landscape. To get to the foot of it you need to walk a 400-meter path. On site there is a restaurant where you can taste some typical dishes from the area. At the end we will return to their respective hotels in Palenque, estimated time to arrive 1 hour.
