

Bird watching in La Mancha and visit to Cempoala

Minimum 2 people to reserve

available every day

Shared service tour / Departure from Veracruz

The operator will pick you up at the Hotel where you are staying, to take you to the tour.

Visit to La Mancha municipality of Actopan Veracruz, here we will find different ecosystems: jungle, mangroves, dunes, lagoons and beaches. The diversity of the flora and fauna of this area is ideal for observing local birds that can be seen all year round in these ecosystems, where they nest, feed and care for their young.

Here is one of the most important corridors for migratory birds of prey in the world: every year in the fall 4 million birds of prey are registered in migration, as well as water and land birds.

You will enjoy this incredible experience in September and October. Our expert guides are farmers, trained locals who know and respect this environment and are part of a research center in this reserve and will give you information about all the local and migratory birds. of the area, as well as the importance they have for the diversity of plant species.

After the activity you can enjoy a delicious rural breakfast with Veracruz flavor.

We continue with a visit to the Archaeological Zone of Cempoala where you will learn all the history that surrounds this mystical place with its pyramids of the wind, the chimneys and the circle of gladiators.

At the end of the tour, the operator returns them to the same Hotel.
