

Magic Town of Bernal Vineyards

Tour in private service

Operates every Saturday

Departure from San Miguel de Allende

We will go to your hotel to pick you up to start our journey to Bernal, this great city has a huge rock, in which millions of years ago there was a volcano that left a huge monolith as a remnant of its life in this world. This rock is the third largest in the world and was considered by the Chichimecas as a sacred place and today it is visited by people from all over the world who marvel at its greatness and splendor. Colorful narrow streets converge in the main square of this town, which take us to a space that is frozen in time.

We return to San Miguel de Allende and end at your hotel.
